

**PACIFIC HEALTH
ASSOCIATION**

July 2, 2007

TO: Chief Financial Officers and Health Information Management (HIM) Directors
FROM: Pacific Health Association
SUBJECT: SoftScript Medical Transcription

The Pacific Health Association (PHA), a non-profit alliance of the California Hospital Association, Oregon Association of Hospitals and Health Systems and the Washington State Hospital Association, is pleased to announce its partnership with Softscript, a national medical transcription company.

SoftScript is one of the fastest growing privately-held medical transcription companies in the country. It has a 100 percent U.S.-based workforce and seasoned transcriptionists that average 14 years experience in the industry.

Other important points to consider:

- SoftScript provides its own Digital Dictation & Transcription System at no additional charge
- SoftScript produces fast and accurate reports within contractual turnaround times
- SoftScript is fully HIPAA compliant and integrates with existing HIM & EMR Systems
- SoftScript works with a variety of handheld devices and offers electronic signature capability
- SoftScript offers 24-hour live customer and technical support
- SoftScript does not have any minimum volume requirements
- SoftScript does not charge any set-up, installation, interface or maintenance fees
- SoftScript does not require a long-term contract

Members of the California Hospital Association, Oregon Association of Hospitals and Health Systems and the Washington State Hospital Association are entitled to preferred pricing. For additional information or to request a quote, please contact Todd Krim at (800) 909-9950 ext. 2040, or via email at tkrim@softscript.com.
